

Terms of Reference for Free Membership to Current Fort Henry Guard & Student Staff

Free membership to the FHGCC will be offered to current Fort Henry Guard and Student Staff. This free membership includes all club benefits including an e-mailed Newsletter.

New Fort staff will provide their contact information to the designated Fort Henry liaison. Once this information is uploaded to the Fort Henry Guard CC site, the free membership trial begins.

New members will be notified by e-mail from the current Club President or Registrar welcoming them to the club. The e-mail will also outline club benefits and instructions on gaining access to the site.

The following spring (~ May 1st), the Club Registrar will provide the designated Fort Henry liaison a list of individuals receiving free membership. Those no longer employed at Fort Henry will be notified by the Registrar that their free membership has ended. Registrar will provide instructions on how to renew their membership on an ongoing basis.
