

Purpose of the Club

The Fort Henry Guard Club of Canada (FHGCC, or the “Club”) was created to bring together members for their mutual benefit and support, and to encourage a spirit of camaraderie among its members.

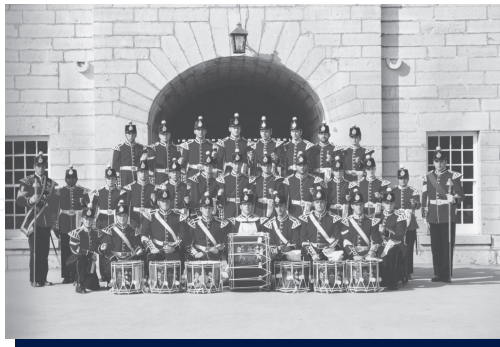

The FHGCC promotes and supports the current Fort Henry Guard through annual contributions to the Guard’s Awards Night, held each August.

The Guard Club also performs volunteer work during daily programming and Sunset Ceremonies at Fort Henry. It also gathers and preserves records, information, and memorabilia relating to the history and traditions of the Guard.

In addition, the FHGCC raises funds to promote its objectives, which has included the donation of two Armstrong Guns for use by the Guard.
